The JSDF operation kept the giant creature from reaching land...

However, we must remain vigilant —

This is

suddenly  
emerged  
from the  
Sumida

I FEEL

KIND OF  
FUNNY...

HA-HA-HA...

Well,  
well.  
That  
sure was  
scary,  
wasn't  
it!?

We saw  
it from  
the TV  
station  
too.

It felt like  
something  
straight  
out of a  
movie...

It's a  
miracle  
no one  
was  
killed.

The  
government  
ought to  
take steps  
against this  
pronto.

Hmm...  
Let's  
see...It  
emerged  
around  
Harumi,  
so...

Mr. Hot  
Sandwich  
Man, what  
would you  
name the  
kaiju?
